

My station is in the
South to symbolize
Heat and Dryness,

and my duty is to see
that the Lamps and
Fires of the Temple are
ready at the opening,

Hierophant: Sr/Fr
Dadouchos, your station and
duties?

My station is in the South to
symbolize Heat and Dryness,

I will.

I consecrate with Fire.

Hierophant: Sr/Fr Stolistes and Sr/Fr Dadouchos, will you please purify and consecrate the Hall with Water and with Fire.

Dadouchos · purification consecration

Stolistes: I purify with Water.

The Dadouchos continues censing around the circle until they return to the East, traces a cross and circle in the air, then raises the Censer on high and says

Dadouchos · purification consecration

The Father of Darkness hath hidden them under His Wings.

**In thy Name,
I consecrate Thee with
Fire.**

Stolistes: The Mother of Darkness hath blinded them with Her Hair.

Dadouchos · initiation

Stolistes: In thy Name,
_____, I purify
Thee with Water.
